Eligible contracts for this exemption

- A Louisiana resident obtaining a permit to perform work on his own residence. (A resident who has built more than two residences in Louisiana in one calendar year must obtain a Certificate of Resident Status.)
- A nonresident contractor whose construction contract is \$3,000 or less. (If the contract is adjusted after the issuance of the permit, a Certificate of Nonresident Status must be obtained.)

Section A

Louisiana residents performing work on their own residences

I, _____, certify that I am a resident of Louisiana as provided by Louisiana Revised Statute 47:9 and that this permit is for work to be performed on my own residence. I further certify that I have not taken out more than two permits to build or remodel my own residence(s) during this calendar year. I understand that this statement cannot be used by person taking out more than (2) permits per calendar year for work on their own residence(s). Residents who are not eligible under this limitation to use this statement are required to apply to the Louisiana Department of Revenue and Taxation for certification of their resident status.
